

## Two-Year Master Program (120 ECTS)

With the exception of the "Interuniversity Mobility" outcome programme, students will choose their final outcome in the 2nd year of the Masters programme.

Even numbered academic years are those which begin with an even year.

Students must include in their programme at least one course in a language other than French. Students registered in the 'Interuniversity Mobility' programme are exempted from this obligation, unless the courses they follow whilst studying in the partner university are given in French.

## Specialised approach Masters, whose final orientation will be decided in the 2nd year of the Masters
