

## First Year

### Compulsory courses

|            |   |     |   |           |
|------------|---|-----|---|-----------|
| MCER0188-1 | <i>Theoretical training</i>   |     |   | <b>20</b> |
|            | - <i>Techniques chirurgicales et stomatologiques de base, prothèses dentaires et maxillo-faciales et parodontologie, y compris exercices cliniques dirigés - N...</i> | 150 | - | -         |
|            | - <i>Orthopédie dento-maxillo-faciale - N...</i>  | 90  | - | -         |
|            | - <i>Compléments de génétique médicale appliquée à la chirurgie maxillo-faciale - N...</i>  | 10  | - | -         |
|            | - <i>Compléments d'embryologie en rapport avec la chirurgie maxillo-faciale - N...</i>  | 15  | - | -         |
|            | - <i>Eléments d'orthopédie et de traumatologie - N...</i>   | 30  | - | -         |
|            | - <i>Pathologie traumatique cranio-cérébrale - N...</i>   | 10  | - | -         |
|            | - <i>Pathologie tumorale de la base du crâne - N...</i>   | 10  | - | -         |
|            | - <i>Eléments d'anesthésie en rapport avec la chirurgie maxillo-faciale - N...</i>  | 10  | - | -         |
|            | - <i>Biologie du tissu osseux et du cartilage - N...</i>  | 5   | - | -         |
|            | - <i>Biomatériaux utilisés en chirurgie maxillo-faciale - N...</i>  | 5   | - | -         |
|            | - <i>Techniques de fixation en chirurgie maxillo-faciale - N...</i>   | 5   | - | -         |
|            | - <i>Techniques de reconstruction osseuses - N...</i>   | 5   | - | -         |

Three days concerning the basics of surgery are included in the surgery interuniversity programme organized in collaboration with the surgical departments of the three universities of the French Community. This programme consists of cycles, the candidate will therefore take this course in order 1-2 or 2-1 depending on the year of beginning.

|            |                        |   |   |   |           |
|------------|------------------------|---|---|---|-----------|
| MCER0189-1 | <i>Seminars - N...</i> | - | - | - | <b>20</b> |
|------------|------------------------|---|---|---|-----------|

Taking part in the training sessions organized by the university services, scientific associations of surgery, stomatology and maxillofacial surgery and plastic surgery.

|            |                         |   |   |   |           |
|------------|-------------------------|---|---|---|-----------|
| MSTG9024-1 | <i>Placement - N...</i> | - | - | - | <b>20</b> |
|------------|-------------------------|---|---|---|-----------|

## Second Year

### Compulsory courses

|            |  |     |   |           |           |
|------------|--|-----|---|-----------|-----------|
| MCER0190-1 | <i>Theoretical training</i>  |     |   | <b>20</b> |           |
|            | - <i>Surgical/maxillofacial pathology and technique - N...</i>                                 | 230 | - | -         |           |
|            | - <i>Advanced Studies in surgical pathology (seminars, lectures and demonstrations) - N...</i> | 60  | - | -         |           |
|            | - <i>Pathophysiology of free flaps and pedicle flaps - N...</i>                                | 10  | - | -         |           |
|            | - <i>Plastic and aesthetic surgery of the face - N...</i>                                      | 30  | - | -         |           |
|            | - <i>Implantology - N...</i>   | 20  | - | -         |           |
| MSTG9025-1 | <i>Placement - N...</i>  | -   | - | -         | <b>40</b> |

## Third Year

### Compulsory courses

|            |  |    |   |           |          |
|------------|--|----|---|-----------|----------|
| MCER0143-1 | <i>Maxillofacial surgical pathology and technique</i>  |    |   | <b>12</b> |          |
|            | - <i>Part I : Surgical techniques, osteotomies of the upper jaw - N...</i>                             | 80 | - | -         |          |
|            | - <i>Part II : Surgical techniques, osteotomies of the mandible - N...</i>                             | 80 | - | -         |          |
|            | - <i>Part III : Surgical techniques, bimaxillary osteotomies - N...</i>                                | 70 | - | -         |          |
| MCER0144-1 | <i>Advanced Studies in surgical pathology (seminars, lectures and demonstrations), 3rd year - N...</i> | 60 | - | -         | <b>3</b> |
| MCER0145-1 | <i>Pathophysiology of free flaps and pedicle flaps, 3rd year - N...</i>                                | 10 | - | -         | <b>1</b> |
| MCER0146-1 | <i>Plastic and aesthetic surgery of the face, 3rd year - N...</i>                                      | 30 | - | -         | <b>2</b> |
| MCER0147-1 | <i>Implantology, 3rd year - COLLÉGIALITÉ</i>   | 20 | - | -         | <b>2</b> |

## Fourth Year

### Compulsory courses

|            |  |    |   |           |
|------------|--|----|---|-----------|
| MCER0143-2 | <i>Maxillofacial surgical pathology and technique</i>                      |    |   | <b>12</b> |
|            | - <i>Part I : Surgical techniques, osteotomies of the upper jaw - N...</i> | 80 | - | -         |

|            |   |    |   |   |          |
|------------|---|----|---|---|----------|
|            | - Part II : Surgical techniques, osteotomies of the mandible - N...                             | 80 | - | - |          |
|            | - Part III : Surgical techniques, bimaxillary osteotomies - N...                                | 70 | - | - |          |
| MCER0144-2 | Advanced Studies in surgical pathology (seminars, lectures and demonstrations), 4th year - N... | 60 | - | - | <b>3</b> |
| MCER0145-2 | Pathophysiology of free flaps and pedicle flaps, 4th year - N...                                | 10 | - | - | <b>1</b> |
| MCER0146-2 | Plastic and aesthetic surgery of the face, 4th year - N...                                      | 30 | - | - | <b>2</b> |
| MCER0147-2 | Implantology, 4th year - COLLÉGIALITÉ   | 20 | - | - | <b>2</b> |
