

First Year

Compulsory courses

Module commun aux deux Universités partenaires

MCER0153-1	<i>Theoretical course</i>				9
	- <i>Pre-prosthetic implant preparation - Supra-implant prosthetic oral rehabilitation</i> - N...	20	-	-	
	- <i>Depth knowledge of occlusodontics - application to the implant-supported restorations</i> - N...	5	-	-	
	- <i>Biological aspects of bone formation and osseointegration</i> - N...	3	-	-	
	- <i>Comparative anatomy and physiology of the periodontal tissues and peri-implant influence on osseointegration implant system</i> - N...	5	-	-	
	- <i>Depth knowledge of etiology and treatment of periodontal disease - supplement of immunology and microbiology of the oral cavity - risk factors in periodontology and implantology</i> - N...	10	-	-	
	- <i>Advanced Techniques of oral pre-implant surgery</i> - N...	10	-	-	
	- <i>Surgical management of peri-implant mucogingival tissue</i> - N...	5	-	-	
	- <i>Management of complications and failures - share responsibility in implantology</i> - N...	2	-	-	
	- <i>Analysis of clinical cases and treatment plans</i> - N...	10	-	-	
MSTG9020-1	<i>Clinical teaching</i>				4
	- <i>Pre-implant and implant surgery clinics</i> - N... - [45h Internship]	-	-	[+]	
	- <i>Supra-implant prosthetic rehabilitation clinics</i> - N... - [15h Internship]	-	-	[+]	

Second Year

Compulsory courses

Module spécifique à chacune des Universités partenaires

MCER0154-1	<i>Theoretical course</i>				6
	- <i>Supplement of neck surgical anatomy</i> - N...	6	-	-	
	- <i>Bone reconstruction by extraoral contributions in pre-implant maxillofacial surgery</i> - N...	2	-	-	
	- <i>Pre-implant biological checkup - Systemic contraindications</i> - N...	2	-	-	
	- <i>Biomechanics of implant-supported reconstructions</i> - N...	5	-	-	
	- <i>Biocompatibility of osseointegration materials</i>	5	-	-	
	- <i>Bone metabolism</i> - N...	5	-	-	
	- <i>Medical imaging techniques applied to oral implantology</i> - N...	5	-	-	
	- <i>Hemorrhagic diseases and oral surgery</i> - N...	5	-	-	
	- <i>Medicolegal aspects of implant surgery</i> - N...	5	-	-	
	- <i>Comparative analysis of implant systems</i> - N...	2	-	-	
	- <i>Seminars on treatment plans and case analysis</i> - N... - [10h SEM]	-	-	[+]	
	- <i>Literature Review Seminars</i> - N... - [10h SEM]	-	-	[+]	
MSTG9021-1	<i>Clinical teaching, Complement of clinical teaching</i> - N... - [120h Internship]	-	-	[+]	9
