LE SOURNE (Vibration), J. NOTEBOOM (Marin Engines). C. TODERAN (Offshore Structures), K. FACH (Shipyards), W. MAES (Electricity)							
ASTG0001-2	<i>Industrial internships</i> (anglais) - N... - [4sem St.]	B1	Q2	-	-	[+]	8
ATFE0001-2	<i>Master thesis</i> - COLLÉGIALITÉ	B1	TA	200	-	-	20

Optionnal courses

As this programme leads to a co-diploma, the student is obliged to follow at least 15 credits of his training in one of the partner institutions from the following list :

- * Higher Nautical School of Antwerp (Hogere Zeevaartschool Antwerpen - HZS)
- * Higher National School of Architecture of Nantes (ENSAN - DPEA Architecture navale)
- * Central School of Nantes (Ecole Centrale de Nantes - ECN)
- * University of Galati (Roumania)
- * Maritime University of Vietnam

The list of courses offered by these institutions can be obtained on request from the Professor Dr. Rigo or nearby the administration department of the Faculty of Applied Sciences. The course's choice must be approved by the Training Management Committee. Moreover, the student cannot choose a course already followed in a previous cursus. After his training, the student will receive the diploma of the "Académie Wallonie-Europe" and the diploma/certificate of the partner institutions where he has followed minimum 15 credits of training.
