Block 1

A fundamental reform of qualifications and posts in primary and secondary education will come into force on 1st September 2016. This reform aims to standardise teaching qualifications across all networks. These qualifications will be classified as: required qualifications (RQ), satisfactory qualifications (SQ) and qualifications in short supply (QS).

The **implementing decrees that will establish the classification of the qualifications (RQ, SQ, QS) are still being drawn up**. Therefore, we can't currently guarantee the matching of a qualification to a post. Please see: http://www.ulg.ac.be/cms/c_3186147/fr/le-choix-de-la-filiere
