Professional focus in interuniversity mobility (B1 : 12Cr, B2 : 18Cr)

Students who are chosen for this focus (at the end of the Bachelors) will carry out a study period at a foreign university or in the Flemish Community, in line with the procedures set by the Faculty. This period may be an academic year (60 credits) or a four-month period (30 credits), with credits to be chosen in the host university. Depending on the courses chosen, the student may obtain an equivalence with certain compulsory courses, which must then be compensated by other courses appearing in the Masters in Law programme (choice of courses or focuses). See details on the Faculty website, under International/Mobility Contact: N.Vrancken@uliege.be.
