Block 1

Information

Professor Yves Gilon
 Department of Maxillo-Facial and Plastic Surgery
 Bât. B35 - CHU - 4000 Liège
 Tel.: 04/242.52.61
 Fax: 04/366.70.61

Legal framework

A.M. of 26/04/1982 (MB: 01/07/1982): Ministerial Decree setting the special criteria for approving specialist doctors, internship supervisors and intern departments for stomatology.

Special conditions of access / students concerned

The candidate must hold the legal diplomas of Master in Medicine and of Master in Dental Sciences and have obtained the diploma of Advanced Master in Stomatology. The candidate must have been selected at the end of the selection test organised by the Faculty of Medicine of the University of Liège.

Duration

* Two years of study (60 credits per year)

Assessment

Evaluation after the first two years: presentation of two clinical cases, one chosen by the candidate and the other given by the jury and evaluation of the internships.

The certificate is awarded on condition of having passed the exams and the internships.

Registration

Where?: ULiège lifelong learning unit
 Documents to be presented: Dean's authorisation for enrolment
 Enrolment fees: certificate rate.
