**Information**

Professor Marc VANDERTHOMMEN  
 c/o Christophe DEMOULIN  
 Motor sciences  
 Building B21 - Quartier Blanc Gravier  
 Allée des Sports 2 - 4000 Liege  
 Phone: 04/366.38.97 or 04/366.38.95  
 Fax: 04/366.29.01  
 e-mail: christophe.demoulin@uliege.be

Mr Sébastien WOLFS  
 Motor sciences  
 Bât. B21 - Quartier Blanc Gravier  
 Allée des Sports 2 - 4000 Liège  
 Phone: 04/366 35 77 or 04/366 38 97  
 Fax: 04/366 29 01  
 E-mail: sebastien.wolfs@uliege.be

**Conditions of access**

This training is aimed at:

- those with a degree in physiotherapy (bachelor's or master's) or medicine from a Belgian institute of higher education (university or college of higher education).
- those with a Belgian qualification in physiotherapy (bachelor's degree) in the context of short-cycle higher education, within the framework of previous legislation. In this case, applicants must submit a file with a view to the validation of their personal and professional experience gained over a minimum of two years by the course leaders
- applicants with a similar qualification or degree in physiotherapy from outside Belgium. In this case, applicants must submit an application file to the course leaders

The compulsory prerequisites (in anatomy, physiology, biomechanics and biostatistics) are required of all participants. These conditions are necessary in order to meet IFOMPT requirements.

**Registration fee**

- 3000 EUR / year
- about 1500 EUR / year if using training vouchers (approved by the Walloon Region)

**Compulsory courses**
