Conditions of access

This training is intended for those with a master in medicine, dentistry, pharmacy, biomedical science, physiotherapy and rehabilitation, veterinary medicine, economics, management, business engineering.

Students with any other type of diploma may submit their file to the jury chair.

Those who are interested are asked to contact the course leader, who will consider their application.

To enable students to attend the courses held from 15 September to 15 May, enrolments will close on 1 November of the current academic year.

For this course, students are required to attend the lectures and sit the exams. This is not a distance-learning course.
