Information

Professor Michelle NISOLLE

c/o ULB - Formation continue

Phone: 02/555.85.17

e-mail: formcont.polesante@ulb.ac.be

Conditions and pre-requisites

The course is aimed at those holding a Master (at least 120 credits) in medicine or science (biomedical sciences, biological sciences, pharmaceutical sciences, etc.), students following a specialised Master or partial specialised course or a post-graduate degree (Doctoral course with thesis), corresponding to a speciality demonstrating and interest or experience in the field of reproductive endocrinology (examples: gynaecologists, endocrinologists, paediatricians, geneticists, breast specialists, oncologists, urologists).

Nurses and mid-wives with relevant experience are requested to submit an application to the head of the course. At least three years professional experience is required for people holding a 'graduat' / baccalaureat.

Registration

- Full price: #1,600

- Fee for nurses, midwives and students regularly enrolled in ULiège, ULB or UCL: #500

- Fee for a modular registration (1 day): #300
