Access conditions:

This course is aimed at those holding a degree of doctor/Master in medicine, pharmacy, *graduats* or Bachelors in nursing care, Master (undergraduate) in physical therapy and any other category of professional deemed appropriate by the selection committee.

Applicants are selected by the teaching committee (doctor-nurse from the three French-speaking universities) on the basis of an application setting out their CV, reasons for wanting to do the course and the expectations of each applicant. The applicant will be informed by post of the results of the selection.

Registration fees:

- EUR 800
