Notice : The FAMEais Masters replaces the FAME+ Master within the same consortium: ULiège will host students from the first FAMEais cohort from the 2023;2024 academic year, while the last FAME+ students will graduate at the end of the 2022;2023 academic year. Within the FAMEais Masters, the course programme offered by ULiège is aimed at students who have acquired the first 60 credits within a partner university.
