Block 1

This programme constitutes the third year of the transdisciplinary *«Digital Business»* programme. Admission is based on application and is restricted to graduates of the master's degree in computer science with a specialised focus in management or the master's degree in computer engineering with a specialised focus in management.

Notice : The student is exempted from the Master's thesis due to the interdisciplinary thesis completed as part of the Master in Computer Science or the Master in Computer Engineering.

Core curriculum compulsory courses
