EMMIE

ERASMUS MUNDUS MASTER
IMPACT ENTREPRENEURSHIP

What is EMMIE?

Emmie was born thanks to a partnership between three highly accredited European Business Schools: ZSEM (Zagreb School of Economics and Management), ISM in Vilnius and HEC Liège.

The idea behind this Master is to allow you to engage in a community of entrepreneurs and respond to prevalent changes needed to improve our society and to make an impact by developing a personalised entrepreneurial project in an inspiring ecosystem.

The world is changing!

Under their 2030 Agenda for Sustainable Development, the United Nations has identified 17 Sustainable Development Goals which requires creative and committed entrepreneurs who are ready to take up the challenge.

Impact Entrepreneurship favours the creation and growth of enterprises that are ethical, transparent and have a meaningful impact on individual lives and the global society. They create social impact through market strategies and focus on the triple bottom-line: **Planet - People - Profit**
